

Civil CAD Designer

Weihe Engineers is currently seeking an experienced **Civil CAD Designer** to join our team in **Indianapolis, IN**.

About Us

Established in 1960, Weihe Engineers enables its clients with site development projects across the Midwest to build with confidence. We do this by delivering best-of-class civil engineering, land surveying and landscaped architecture services from passionate and experienced professionals. As a result, we're experiencing record growth and becoming the preferred firm for professionals and clients alike.

Job Description

Weihe Engineers is looking for an experienced Civil CAD Designer with a great attitude and work ethic to be a part of our growing and dynamic team. We pride ourselves on having great employees who are passionate about the work they do, and we need to add another to our team.

As a Civil CAD Designer at Weihe Engineers, you will work alongside our clients from project inception to final delivery to provide the confidence they need in a quality site design for their development. CAD drafting and site design is an integral part of the overall project development and this position will be a key part of the team. Plan graphics review and quality control are vital to every project we deliver. Each of our projects are unique so, if you want to do the same thing day-in and day-out, this job is not for you.

Requirements

Education and Experience:

- High School diploma or equivalent
- At least three (3) years of relevant experience in site development projects
- AutoCAD Civil 3D experience is required

Skills and Abilities:

- Ability to perform drafting and design tasks related to commercial and residential site design
- Great attitude and work ethic is a must to be a part of our team
- Ability to work well in a small team setting
- Ability to multi-task efficiently
- Willingness to contribute when and where needed

Compensation and Benefits

- Compensation is commensurate with experience
- Competitive benefits package available
- Opportunities for advancement
