

**Position:** Project Manager – Land Survey  
**Location:** Indianapolis, IN  
**Start Date:** Immediately

### Job description

Having a passion for land surveying and civil / site development as well as having a positive, proactive attitude and solid work ethic makes you a perfect fit for a Land Survey Project Manager role at Weihe Engineers. You'll be working with a company who has offered land survey services since 1960. With such a history and excellent reputation, we're the preferred choice for professionals and clients alike. And, for that reason we're one of the most tenured land survey organizations in the Midwest.

You will work alongside our clients as well as direct survey technicians and engage field crews while performing tasks related to boundary surveys, topographic surveys, construction staking, deed research, write legal descriptions, create surveyor reports and more. Specifically, you will manage survey projects from inception to successful completion while meeting scope, contract requirements, schedule and budget parameters.

At Weihe Engineers, you'll enjoy working with fellow project managers and crew chiefs with 20+ years of experience.

### Our Requirements

- Professional Land Surveyor registrations in Indiana and Missouri are a plus.
- 5 – 10 years of progressive experience in surveying and project management.
- At least 5 years of relevant experience in site development projects.
- Ability to complete boundary, topographic and ALTA surveys using standard industry surveying software as well as Microsoft Office.
- Secondary education preferred, not mandatory.

### Your Skills

- Produce boundary and topographic surveys; manage budgets, scopes and timelines
- Strong interpersonal, written and oral communications skills
- Strong planning and time management skills
- Effective negotiating skills
- Ability to work well in a team setting
- Ability to multi-task efficiently
- Willingness to contribute when and where needed

### Your Compensation and Benefits

- Compensation is highly commensurate with experience
- Very competitive and robust benefits package available
- Opportunities for development and advancement
